

El Elohe Israel

NOTES

The setting: Jacob, the trickster, supplanter, deceiver, meets in a very personal experience, EL, God All-Mighty. This is where Jacob wins a new walk, while losing an old fight. Here is the story of a struggle unto death, and a suffering unto new life. EL is able, and Jacob learns it is so.

Jacob finds the EL is ⁽¹⁵⁾ _____, and without Him he has no power. God reveals Himself as ⁽¹⁶⁾ _____ in similar cases through the compound ⁽¹⁷⁾ _____.

Example:

The God of Jacob

The God of Shem

The God of the Hebrews

The God of Daniel

When God's ⁽¹⁸⁾ _____ is ⁽¹⁹⁾ _____ through His ⁽²⁰⁾ _____, it is experienced in a ⁽²¹⁾ _____. El-elohe-Israel is the God of Israel, no matter where they go. (*Psalm 48:14*)

When ⁽²²⁾ _____ is used in compound referring to the specific attributes of God, it is intended to distinguish the ⁽²³⁾ _____ (God) from all false uses of that name found in other Semitic cultures.
