

Jehovah Rophe

NOTES

The ⁽²⁴⁾ _____ is referenced to healing ⁽²⁵⁾ _____, as well as ⁽²⁶⁾ _____.
(Jeremiah 33:6; Isaiah 1:4-6)

As Abraham found ⁽²⁷⁾ _____ to be ⁽²⁸⁾ _____, so Moses found ⁽²⁹⁾ _____ to be ⁽³⁰⁾ _____. Abraham introduced God's people to ⁽³¹⁾ _____, and Moses introduced God's people to ⁽³²⁾ _____.

Illustration: The events leading to Moses' proclamation of Jehovah-Rophe included the deliverance from Egypt, the Passover, crossing of the Red Sea, the great and miraculous delivery of ⁽³³⁾ _____ -Yaweh Who promised, "I will bring you out". The God of salvation and deliverance is soon forgotten when their new "crisis" arose, "thirst in the midst of the heat of the day." There was no water to drink (the Red Sea was too salty) and the waterhole was bitter, hence the name ⁽³⁴⁾ _____ which means bitter. Death appeared to be ⁽³⁵⁾ _____. They would die an agonizing death of thirst. They were helpless within themselves. The bitter waters of Marah could not be overcome in spite of all their efforts, but ⁽³⁶⁾ _____ healed the bitter waters. God showed Moses a "tree", which when cast into the waters the bitter became sweet. They drank from the waters and their strength renewed. Jehovah proved the people. (Exodus 15:25-26 - tried their faith.) When they saw the waters were made sweet, they knew that Jehovah heals. They continued on to Elim where they found an abundance of fresh water and fruit.

Moses, by faith, looked to the tree, and in obedience cast it into the bitter waters. The pattern was set. God could heal even the bitter waters of Marah! And, if the people would take their new revelation of ⁽³⁷⁾ _____ and with their ⁽³⁸⁾ _____ follow the ⁽³⁹⁾ _____ and ⁽⁴⁰⁾ _____, they could know personally ⁽⁴¹⁾ _____, "The God that heals."
(Exodus 22:25-26; Psalm 43:5)

Jehovah Rophe
